

LYNX! Consortium

STRATEGIC PLAN

Strategic Issue E:

How will the Consortium manage to effectively add new members and retain existing members while keeping a consistent, common vision?

Strategy: Expansion

Determine ways to manage the growth of the Consortium.

Action Steps:

- A. Write a 'Vision Statement' for the Consortium.
Committee formed and draft due October 2002.
- B. Director's group biannually reviews and modifies requirements for admitting new members. *Next scheduled review Sept/Oct 2004.*
- C. Director's group determines the ideal and/or practical size the Consortium can attain prior to January 2005 or system replacement, which is targeted for October 2005.
- D. Create a plan to assist new members with milestones included. (*targeted date October, 2003*)

Tasks

Convene committee to

- *Revise the Guide Book for prospective new members include adopted standards.*
- *Explore ways to assist potential new members to meet the financial requirements for joining the Consortium (see also Funding).*

- E. Directors biannually review and revise the "Long Range Strategic Plan" and the "Vision Statement." *Next scheduled review Sept/Oct 2004.*
- F. Continue to hold regularly scheduled consortium and directors' meetings.
