> Tax District 001 is CPL

> Tax District 002 is NPL

*If the district is any number other than 001 or 002, we (any library other than CPL or NPL) CANNOT issue a card. The patron will need to check with their respective city library to see about acquiring a card; staff can call the library to ask also to see what the patron can do.

Be sure to refer to the Library Codes Quick Grid to see the proper patron code & that the expiration date is set properly.
