

Your Library in a mobile app.

Search the catalog,
place holds, manage
your account, and more.

FEATURE HIGHLIGHTS:

CATALOG SEARCH - Search with keywords, or even by scanning an ISBN barcode.

DIGITAL LIBRARY CARD - Display your card's barcode for easy scanning.

LINKED ACCOUNTS - Save friends' or family members' cards in the app.

SELF CHECKOUT - Use your phone's camera to scan item barcodes.

CURBSIDE PICKUP - Let us know you're on your way.

LIBRARY LOCATOR - See your closest libraries and their hours.

ONLINE RESOURCES - Check library events, place room reservations, browse ebooks... the list goes on!

Ida is the mobile app for the LYNX! Consortium, a partnership between twelve public libraries in southern Idaho sharing the cost of technology and services to improve access and make library users' experience more seamless and enjoyable.

Ida + Libby Two apps that work well together
